

We invite you, your friends, and family, to support the 1st Annual World of Work program. Please join our Olive 5th graders in Arlington Heights.

The program provides 5th grade students the opportunity to sample work in the real world. It would be great for our students to interact with their neighbors, friends, and family during their first work experience.

When:

Friday, March 2, 2018
From 9:45 a.m. to 11:15 p.m.

The following Arlington Heights Merchants are supporting the 5th Grade World of Work Program:
